

One on one Plan Pre-Primary (2020 -21)

At the Pre-Primary level Assessments are largely observations that revolve around ensuring the grade level skills are developing fine in the children. Please note the Weekly assessment pattern that will be followed with effect from Monday 06/07/2020. It will be an ongoing process from now on.

The following points have to be noted: -

- Students will be assessed based on areas like conversation, activities, life skills, writing, gross motor & fine motor skills etc.
- One on one will be ongoing from Mondays to Fridays and it will be conducted through Google classroom.
- Topic for one on one will be notified each Friday, for students to be prepared in the following week. It will be based on the concept being taught in the class
- Attendance for the one on one session is compulsory.
- If the child misses the session, it will not be taken again.
- Video has to be turned on during the time of assessment or else student will be marked absent.
- Each child will be given 10 minutes for their session with the teacher.
- Parents can accompany but prompting or distraction is not permitted.
- Child will be assessed on independent work and active participation.
- Students will be graded for TERM I based on their performances in these weekly assessments.
- Example for the assessment plan: -
 1. Conversation: - child should be able to point at the object asked and answer in complete sentence. E.g. I can see a book.
 2. Gross Motor & Fine Motor Activity
- Kindly find the attached one on one time table.
